

Materials for the Educational Team

Items in this section:

- Albinism Terminology
- Possible Accommodations
- Educational Considerations
- IEP Summary
- Student Involvement
- Facts Regarding Children with Albinism for Physical Education and Recreation Professionals
- Fact Sheet for Substitute Teachers

Purpose

- This section includes documents that can be presented to members of the educational team as helpful tools for working with your child.
- Ideally, these documents would be compiled into a packet so that the team members may refer to them as needed throughout the year.
- Refer to the instructions in each document for additional information.
