

National Organization for Albinism and Hypopigmentation

August 2023

Greetings!

On behalf of the National Organization for Albinism and Hypopigmentation (NOAH), I am writing to invite you to participate in our 3rd annual virtual fundraising event, **NOAH Night: A Cause for Celebration!** This online event is set to take place on Sunday, October 15, 2023, as we celebrate **NOAH's 41st Birthday!**

We invite people with albinism, families, and friends of NOAH to join us for this online celebration. During the evening, we will host a video showcase of NOAH community talent during our presentation of “**NOAH Has Talent.**” Throughout the celebration, we will share the entries and announce the final winners for the “**2023 Spiffy's Creative Arts Contest**” which invites people with albinism of all ages to share their special artistic abilities.

As we prepare to commemorate this momentous occasion, we ask for your support to make this event a memorable time for our community. We have identified several ways to show your support and help NOAH continue to carry out our mission *to act as a conduit for accurate and authoritative information about all aspects of living with albinism and to provide a place where people with albinism and their families in the U.S. and Canada can find acceptance, support and fellowship.*

Please consider sponsoring NOAH Night 2023.

For additional information about NOAH Night sponsorship opportunities, please see the attached Sponsor Invitation document or contact noahnight@albinism.org. You may also learn more about this event at <https://www.albinism.org/NOAHNight/>.

Thank you!

Sincerely,

Karen Bly
NOAH Executive Director
