ABOUT NOAH

The National Organization for Albinism and Hypopigmentation (NOAH) is a non-profit organization that provides information and support to people with albinism, their families, and those seeking to expand their knowledge about all aspects of living with albinism.

Founded in 1982, from grassroots beginnings, NOAH's community has grown throughout the United States and Canada. NOAH's network also includes albinism groups such as The Albinism Fellowship-UK, Global Albinism Alliance, Positive Exposure, and the HPS Network.

NOAH provides community outreach, support and resources to help improve attitudes toward those with albinism. NOAH serves the albinism community by sponsoring workshops, hosting conferences, publishing a quarterly magazine, providing information bulletins on topics specific to living with albinism, hosting a comprehensive website of information and resources, supporting albinism research as well as keeping the community engaged through multiple social media channels and virtual NOAH Connections.

NOAH NIGHT: A CAUSE FOR CELEBRATION

NOAH NIGHT

NOAH Night: A Cause for Celebration is a virtual gathering where people with albinism, families, and friends of NOAH will join together in celebration of NOAH's 41st birthday!

This gala event will have something for everyone:

- A VIP social hour to kick things off! The social and donor hour, hosted on the Gatherly platform, provides an opportunity for attendees to virtually mingle and connect.
- A showcase of NOAH community talent presented during "NOAH Has Talent". The NOAH community is bursting with talents of every kind, and community members will share their skills - exemplifying the diverse abilities of all people with albinism.
- An online exhibit of the entries for the "2023 Spiffy's Creative Arts Contest" which invites people with albinism of all ages to share their special artistic abilities.
- Interviews with special guests, recognition of NOAH community leaders, NOAHCon 2024 programming announcements and much more!

And finally... What is a celebration without an after-party for everyone?!!

Expected Attendance

An event 41 years in the making - we anticipate a great turn-out from our community! With nearly 800 attendees at our recent NOAHCon, we hope to see EVERYONE at NOAH Night!
