Please join the Northern Illinois NOAH group on its fourth annual NI NOAH Walks for NOAH! We look forward to celebrating International Albinism Awareness Day and raising awareness for the community. We hope to see you there!

***There are two parks at Berens park - we will be located on the SW corner of Oaklawn and Armitage.**

Please park in the lot just north of the tennis courts or along the street. We will walk a loop and meet back at the park for coffee and donuts provided by NI NOAH!
