By Karen Bly, NOAH Executive Director

NOAH is deeply honored to have recently received a bequest from the estate of Sandra Farr, a beloved member of our community. Sandra joined NOAH after the birth of her grandson Donny, who was born with albinism in 2014. She quickly became an integral part of our organization, actively participating in NOAH's Grandparent Connections, and helping her daughter Laura organize successful fundraisers. Sandra attended the 2018 NOAH conference in Kansas City.

Sandra passed away after a courageous battle with cancer in December 2023. NOAH extends our deepest sympathies to her family for their loss. Before her passing, Sandra expressed her wishes for friends and family to direct memorial gifts to NOAH. In addition, she had thoughtfully arranged a planned gift, naming NOAH as a beneficiary in her will. 🌟

A **Planned Gift** is a contribution arranged in the present and allocated in the future. Commonly donated through a will or trust, planned gifts are often granted once the donor has passed away. The most frequent type of planned gift is a bequest through a will. Bequests to NOAH made in your will can be a fixed dollar amount, a percentage of your estate, or some other amount.

NOAH is a vibrant community of individuals from diverse backgrounds, all united by our connection to albinism. We provide accurate information, resources, and support while fostering a space of acceptance and fellowship. Sandra and her family have embraced our community wholeheartedly, and we are profoundly grateful for Sandra's generosity through her planned gift.

Sandra's unwavering love and support for NOAH and the albinism community will forever be remembered. Her planned gift will provide NOAH with invaluable resources to advance our mission and continue serving the albinism community.

If you have already planned for or are considering donating to NOAH in your will, we invite you to join NOAH's **Legacy Circle**. Members of the Legacy Circle are those who state that they intend to make a bequest to NOAH. You need not state an amount or make a pledge. Legacy Circle members will receive regular updates on NOAH initiatives.

If willing, your name will be added to the online roster of Legacy Circle members at albinism.org/noah-legacy-circle.
