

# NOAH Family Camp HEALTH SAFETY CODE OF CONDUCT

---

**CONTACT INFORMATION FOR HEALTH SAFETY CONCERNS:**  
Telephone: 603 887-2310      E-mail: [EventSafety@albinism.org](mailto:EventSafety@albinism.org)

***\*Submission of registration implies commitment to adhere to this Code of Conduct\****

*To keep myself, fellow attendees, staff, and our communities safe and comfortable, I agree to adhere to the following protocols and behaviors as part of my participation in NOAH's Family Camp:*

## **Before the Event**

I will evaluate my own health as well as that of the people I am in close contact with and contact NOAH if I have any concerns. I will stay home if I feel sick.

## **During the Event**

I will follow all guidelines provided by Lions Price Camp and NOAH. I will engage in everyday preventative actions including washing hands often with soap and water for at least 20 seconds and/or washing hands often with an alcohol-based sanitizer with at least 60% alcohol; avoiding touching eyes, nose, and mouth with unwashed hands; covering my nose and mouth when coughing or sneezing; throwing used tissues in the trash.

I agree to adhere to appropriate health safety measures/protocols that may be put in place by NOAH at the time of the event. These measures will meet or exceed CDC/World Health recommendations and align with the level of community transmission at the time of the event. Protocols may include having my temperature taken before entering the event venue, showing proof of vaccination, and wearing a mask or facial covering. I agree to respect the personal space and boundaries of other attendees, staff, and guests. If at any time I begin to feel unwell or experience any of the symptoms listed below, I will quarantine to my room and contact NOAH for further instructions.

## **Concerning Health Symptoms:**

- |                       |                              |                      |
|-----------------------|------------------------------|----------------------|
| - Fever or Chills     | - Muscle or body aches       | - Congestion         |
| - Cough               | - Headache                   | - Nausea or vomiting |
| - Shortness of breath | - Recent loss of taste/smell | - Diarrhea symptoms  |
| - Fatigue             | - Sore throat                |                      |

## **After the Event**

I will contact NOAH if I test positive for COVID-19, the Flu, or RSV in the 5 days following the event. In the event I do not comply with Health Safety Code of Conduct, I understand that my continued participation at the NOAH events be at the discretion of NOAH.
