

Season's Greetings!

from

National Organization for Albinism and Hypopigmentation

A Note from NOAH's Executive Director:

As we approach the close of 2025, we want to pause and thank you—for believing in NOAH's mission and for helping build a stronger, more connected community for people with albinism and their families.

Because of supporters like you, NOAH reached more families this year than ever before. Together, we strengthened our New Parent Program; expanded virtual education and social programming; increased access to life-changing low-vision technology; amplified the importance of albinism research; and brought hundreds of people together in person through Family Camp, Adults with Albinism Weekend, and community events.

Every connection made, every child supported, every family welcomed—
it all begins with you.

As we look ahead to 2026, the need for NOAH's services continues to grow. Families are still searching for answers. Young adults are seeking connection. Individuals with albinism are looking for resources, education, and a sense of belonging. And together, we can ensure that no one faces their journey alone.

**Will you make a year-end gift today
to help sustain and expand NOAH's vital work?**

Your tax-deductible contribution—at any level—makes a meaningful impact. Your generosity provides access and inclusion, opportunity and empowerment, and helps build a community grounded in acceptance and belonging. Your support shows families and individuals that they are not alone—that a caring, understanding community is here to welcome them.

Thank you for standing with the albinism community this year and every year. We are deeply grateful for your partnership.

With warm appreciation,

Karen Bly

Celebrating the NOAH Community with these *2025 Highlights:*

Our largest to date, **2025 NOAH Family Summer Camp** welcomed 94 campers!!

NOAH helped establish the

Niedre M. Heckman
GROWTH AND EMPOWERMENT
SCHOLARSHIP

2025
Recipients:

Kira Schoff

Britta Strevig

Michael J. McGowan
LEADERSHIP
MEMORIAL SCHOLARSHIP AWARD

2025 Recipient,
Emily Iverson

In honor of the life and leadership of former Executive Director Mike McGowan, NOAH renamed the 2008 scholarship in his memory and established an endowment fund to preserve his legacy.

Partnerships with Vispero and the Parker Foundation are helping NOAH equip people with albinism with the technology tools needed to succeed.

NOAH is proud to amplify our voices for albinism research as a collaborating databank partner. Sign up today at aid.iamrare.org!
